

# York Children's University

## CU in the City

We have seven fantastic free family events coming up in November and there's something for everyone to enjoy. Check out what's on and start planning your days out now!

Don't forget your  
CU passports!  
Stickers available  
at all events

### To infinity and beyond!

Prepare for a trip to outer space and journey through over 20 workshops led by the Uk Space Agency Partners.

Follow Tim Peake's rocket science experiments; see whether you could live on Mars and explore the inflatable Sundome to discover a world of energy.

**Sunday 6 Nov, 10am - 4pm, Physics and Electronics, University of York**

**Tickets required for entry to day, workshops selected on arrival.**

**Book via: [www.york.ac.uk/news-and-events/events/tim-peake/](http://www.york.ac.uk/news-and-events/events/tim-peake/)**

### What's in a name?

How do you communicate with one another without technology or sounds? Discover the world of British Sign Language and understand more about what life is like with restricted hearing. Learn to spell your name and whizz through the alphabet in this whole new world.

**Tuesday 8 Nov, 6pm - 7pm,  
York St John University**

### Dragon's Den

Flex your entrepreneurial muscles and unlock your imagination as you face the Dragons with your business ideas. Explore Learning will help you create and sell your business pitch - but only one team can win in the Dragon's Den!

**Wednesday 9 Nov, 6pm - 7pm, Sainsbury's  
Monks Cross Cafe**

Don't forget your CU passports! Stickers available at all events

### Dramatise your story

Everything has a story! Let your imaginations run wild and explore what those stories may be with this interactive family drama session. Create your own improvisations inspired by some fun props. The story is in your hands!

**Thursday 10 Nov, 6pm - 7pm, Kings Manor Exhibition Square**

### Phizz-whizzing storytelling

Have you ever wondered how Roald Dahl created Willy Wonka's Chocolate Factory, the BFG or Fantastic Mr Fox? Come and experience his characters brought to life by Inkwell and learn how to create your own stories.

**Tuesday 15 Nov, 5.30pm - 6.30pm,  
Explore Library York**

### Art with a difference

What makes you different? Appreciate other people's differences through art. Create your own unique piece of art and understand more about autism through the inspiring work of local artist Peter Myers.

**Thursday 17 Nov, 6.15pm - 7.15pm, Exhibition Centre, University of York**

### Quizzical Creatures

Why do snakes shed their skin? What do deers use their antlers for? From skulls to skins and real-life mini beasts, join Flamingo Land to find out how animals have learnt to adapt to the natural world.

**Friday 18 Nov, 5.30pm - 6.30pm, Tang Hall Community Centre**

**flamingo  
LAND**  
Resort Yorkshire

### Other upcoming free events:

#### Spooktacular Fun at York Museums Trust

Bloody battles, terrifying tales and spooky shadows are in store for those who dare to visit the Yorkshire Museum, York Castle Museum and York Art Gallery in October half term.

**All activities free after admission, further info at: [yorkmuseumtrust.org.uk](http://yorkmuseumtrust.org.uk)**

#### York Sport Tennis: Free session dates

Free York Sport Mini Tennis taster session for children aged 5-8. The programme uses smaller rackets and smaller courts to teach children the fundamentals of tennis.

**Friday 11 November, 4pm - 5pm, York Sport Centre (Tennis Dome)**

**Book via: [yorksporttennis.wufoo.com/forms/qvyyzsk1is193n/](http://yorksporttennis.wufoo.com/forms/qvyyzsk1is193n/)**
