

ST BARNABAS CE PRIMARY SCHOOL

STATEMENT OF INTENT

School management at St Barnabas CE Primary School believes that ensuring the health and safety of staff, pupils and visitors is essential to the success of the school.

We are committed to:

- Reducing accidents and work-related ill health as far as reasonably practicable
- Ensuring compliance with statutory requirements as a minimum standard
- Assessing and controlling risks from curriculum and non-curriculum work activities on and off school premises
- Providing a safe, healthy and secure working and learning environment for staff and pupils
- Ensuring safe working methods and providing and maintaining safe work equipment
- Providing appropriate health and safety information, instruction, supervision and training
- Consulting with employees and their representatives on health and safety matters
- Monitoring and reviewing our risk assessment systems and control measures to ensure that they are effective
- Setting targets and objectives to develop a culture of continuous improvement
- Ensuring adequate welfare facilities exist throughout the school for all
- Ensuring adequate resources are made available for effective health and safety risk management
- Learning from our own health and safety experiences and sharing learning opportunities with other schools and to implement controls where appropriate
- Selecting and engaging competent contractors who work safely
- Providing adequate first aid cover and occupational health support

To ensure the above commitments can be met the City of York Council Safety Management System (SMS) has been adopted. All governors, staff and pupils will play their part in its implementation.

ORGANISATION

In order to achieve compliance with the Statement of Intent, specified roles within the school's management structure will have additional responsibilities assigned to them as detailed below.

THE HEAD TEACHER

The Head Teacher has the following health and safety management responsibilities – to ensure:

- The school is following the CYC Safety Management System and that appropriate arrangements exist within the school to effectively manage risks
- Sufficient resources are made available in respect of finance, time, equipment and people to deliver a safe and healthy school environment
- Staff understand and accept their health and safety roles and responsibilities in ensuring effective health and safety management within the school
- Consultation takes place with staff and their representatives on health and safety matters
- Effective communication of health and safety information to all staff and contractors
- Systems are in place for the provision of suitable and timely health & safety training for staff
- Systems are in place for undertaking specific requirements set out in the compliance notes within the SMS
- The need for continuing improvement in local health & safety performance is promoted within their school and also for sharing experiences with peers across CYC
- Educational visits/off site learning is managed in line with the Evolve system adopted by CYC
- Staff have a sensible approach to health and safety within all of the school's activities

THE GOVERNING BODY

The Governing Body has the following responsibilities – to monitor to ensure that:

- The CYC health and safety management system is being implemented effectively
- Competent advice is sought from CYC Health, Safety and Wellbeing Team at appropriate times and implemented
- Persons have sufficient experience, knowledge and training to safely perform tasks required of them
- The head teacher and other school leaders develop a sensible approach to health and safety management ensuring a proportionate response to reducing health and safety risks in the school
- Clear procedures are created to assess risks and put in place sensible/proportionate control measures and safe systems of work.
- Sufficient resources are made available in respect of time, finance, equipment and people to ensure a safe and healthy learning environment
- Only contractors who are capable of working safely are selected and engaged – for higher risk work they are accredited by a SSIP (Safety Scheme in Procurement) member organisation, this includes any sub-contractors
- Health and safety performance is measured both actively and reactively
- The school's health and safety policy and performance is reviewed as a minimum annually or when there is a change of head teacher or Chair of Governors
