"Barnabas, the Encourager"

The Value of Generosity

Each half term we focus on a particular value. Through worship time and in class we explore this value; thinking about how we can show this value, learning about other people who have shown this value and where this value is referenced in The Bible and prayers.

Each half term we will be sending home a think sheet based on the relevant value for you and your child/children to share together at home.

This half term, our value is Generosity and the attached sheet has some ideas to help you to explore this value at home.

There will always be a 'Home School Challenge' on the sheet which we hope children will take part in. Please send in any contributions by the end of this half term. Children who send in their work will receive one of our special new 'Values' stickers.

All children are receiving this sheet in paper and colour versions of this sheet are being sent by e-mail.

A Very Special Day

Last Thursday the Archbishop of York re-dedicated the school and blessed the extension and our Spiritual Garden.

It was a very special afternoon and the children's behaviour and singing was fabulous. It was lovely to have parents join us for part of the event too.

Photos will be on our website soon, but there are also some on the school Twitter pages

Parents' Drop-In Sessions

Thank you to those who attended the Drop-In sessions on Wednesday evening to discuss how your child is settling into their new class. There are still appointments free for the Drop-In sessions next Wednesday 14th October. Please contact the office to make an appointment.

Online payment for Dinner Money

We encourage parents to pay dinner money via the Parent Pay website. If you need any help or you need your login details again, please contact the school office.

Well done Malala Class for 100% attendance last week. Edison and Simmonds Class also beat the school target of 96%.

Who will beat the school target next week?
