Notes about clubs

***run by external coach**

- **Imagination Club:** This is the idea of 2 Y6 girls. They will be planning and running the club (with adult supervision). At the club children will do a range of creative activities (art, craft, experiments) where they can let their imaginations run free!
- **Homework Club:** This is an opportunity for children to have a quiet space to do any homework they have been set including practicing their basic skills such as reading, spelling and maths. They will have some access to computers to help them with this.
- **Year 6 Study Club:** will continue with the last session on 8th May

Other important information about clubs

For safeguarding reasons, it is essential that parents inform the school office if your child cannot attend any sessions of a club that they are booked onto. We cannot accept this information from children. If your child has not attended a club on more than one occasion without the office being notified we reserve the right to allocate the place to someone on the waiting list.

Summer sports clubs will include tennis, cricket, rounders, golf etc.

We expect excellent behaviour at our after school clubs and that our school rules are followed. Children who do not behave well will lose their place at the club.

If you have any questions about clubs or the booking system, please get in touch.

Yours sincerely

Miss K Boardman
