

FUNDRAISING EVENT FOR THE DINIS FAMILY

# SPORTS DAY

GARDEN FUND

Dear St Barnabas

First of all we would like to say how fantastic the family picnic and sports day was and well done to all the students for taking part.

We are hugely grateful to Miss Boardman for allowing us to hold our fundraiser. Parents and students alike showed a real sense of community and it was so touching to see everyone getting involved and being so generous.

To all the mums, dads and teachers who ran in the races... you put yourselves out there and showed your silly sides and it was wonderful. Thank you!

To Lottie, Lola, Riggins and Ruby from Malala who went and watered all the plants in the offices at JRF and Homestead Park to raise money... a massive thank you.

Mrs Murrie and Mrs Dessi went crazy with the water and that goes beyond the call of duty so a massive thank you to you both.

To all the parents and their families who donated and also went to local businesses and got them to donate such brilliant raffle prizes thank for all your hard work.

Thank you to all the parents who helped on the stalls particularly Lorna, Jamie and Adam who stepped at the last minute.

We set out three weeks ago to raise money to build a new garden for Diogo and his brother Danny. We are happy to announce that the contribution from our fundraiser at school including our raffle, tombola, stalls, and private donations was £853.11... which was beyond what we imagined so thank you so much from all of us in Malala!

That can now be added to the private fundraising that the Malala students and parents have been doing and I am happy to say we are about to hit our target and work on the garden can start soon!

From the bottom of our hearts.... thank you St Barnabas!
