

Welcome Back

Welcome back, we hope that you have had a good summer break. The children have settled into Year One amazingly and we have already seen some great learning. They are getting to grips with new routines and continue to grow in independence. As mentioned in Summer Term we are working in a more play based learning environment for the first term and we are using the outdoor learning space as well as the classroom.

If you have any problems or queries in the morning please talk to whoever is at the classroom door. If it is a matter that needs further discussion please don't hesitate to talk to us after school to make an appointment.

Topics this term:

R.E.

What do Christians believe
God is like?

Why does Christmas matter
to Christians?

Topic

Who am I?

The Earth - our home

Our Class Rules:

The children came up with these class
rules

Encourage others

Persevere (try and try again)

Don't give up

Always do your best

P.E.

P.E. is on Monday with Mr Laverack. Please ensure that P.E. kits are in school, including plain blue joggers and sweatshirt for outdoor lessons.

Planners

By the end of this week we will be sending home our new planners. This is to replace the old style reading record books that your child has had previously. These planners can be used to send homework in, record guided reading and home reading sessions, record spellings and be used as a home-school communication book. We will check the books at least once per week. These books are also a valuable learning tool for home as they contain phoneme mats in the back and also has a handy whiteboard. (Pen to follow shortly) We ask you to please take care of these planners as there will be a charge if they are lost and need replacing.

Phonics homework will continue to be sent home in a separate homework book.
