

Welcome Back

We hope that you had a good Easter Break and managed to do a lot of fun things.

In English, this term, we will be looking at the book Silly Billy by Anthony Browne. The focus of this book is emotions and what to do if we are worried about something. This links in with PSHE themes. We will be moving on to look at information texts and traditional stories.

In Maths we will be learning about shape, length, height and continuing addition, subtraction and place value.

We will also be starting to learn about multiplication and division.

We will continue to practice our phonics daily and homework will be sent weekly.

Please do not hesitate to come and ask if you have any queries regarding learning in class.

P.E. is always on Mondays and we are also learning Dance on a Wednesday afternoon. **Earrings should be taken out or covered over on these days.** Please ensure that P.E. kits are in school every day as we have other PE specialists supporting PE this term.

Homework and Reading

Homework is sent out on Friday afternoon and is due back in by the following Thursday. Please could we ask that homework books are treated with respect and a writing pencil is used to complete the task. Homework is based on the phonics that we have been learning throughout the week and some Maths homework may also be sent.

We have also recently sent home a sheet containing all the phonemes learnt so far. Please practise reading and writing these at home as part of your reading time.

Stay and Learn—Tuesday 1st May 8.45am

The focus of the next stay and learn topic is the Phonics Screening Test. I will be going through what the test entails and what we are doing to prepare for this. The Phonics Screening test is scheduled to take place in the week beginning 11th June (Keep the week free!).

I will be absent for two weeks starting 18th June as I am going on paternity leave. I will be leaving the class in the very capable hands of Miss Denley and Mrs Murrie. I will be back to work on Monday 2nd July.
