Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer.

This means that schools should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that the school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement.

This document will help to review our provision and to report our spend.

DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

ST BARNABAS CE PRIMARY SCHOOL PE AND SPORT PREMIUM PLAN 2018-19	
<p>Key achievements to date: (Sept 2018)</p> <p>Through our partnership with York School Sports Network (YSSN) and York Dance Space we receive at least 80 hours of mentoring for our teachers from PE specialists. This is delivered in school, using our equipment with our pupils ensuring new ideas are transferable to our schools setting. We deliver a range of clubs including Change 4 Life Clubs (targeting our least active children), after school clubs, and links to community clubs such as York Tennis Club.</p> <p>All our pupils access intra school competition and our pupils also undertake England Athletics Quadkids testing.</p> <p>We have access to over 20 different sports competitions per year through YSSN many of which allow us to progress through to the School Games. We complete the School Games Mark every year and in 2018 we achieved Gold mark.</p> <p>The PE Specialists also train our year 5/6 pupils to become play leaders who help us provide an active playground and contribute to the 30 minutes physical activity per day target.</p> <p>YSSN connects us to Governing Bodies such as ECB with Chance to Shine and the FA through the FA skills programme. This allows us access to CPD and sporting opportunities.</p> <p>We encourage pupils to travel actively to school and work with a Sustrans officer to develop cycling / scooting skills. In 2018 St Barnabas was 'the most improved school in York during the national 'Big Pedal' competition. Pupils have taken part in the York Schools Dance Festival this year.</p> <p>Through our analysis we can identify the least active pupils, enable student voice to influence extra-curricular provision and ensure pupils have the opportunity to represent school in competition. This allows us to specifically target groups of pupils who will benefit most, and provide activities and competitions in the most popular activities to engage the majority.</p>	<p>Areas for further improvement and baseline evidence of need:</p> <p>Ensure our school takes advantage of all the sports competitions feeding into the school games. Aim to sustain our Gold School games award.</p> <p>Ensure pupils are well prepared to compete fairly in local competitions.</p> <p>Baseline evidence of need is collected through analysis of attendance of extra-curricular clubs, pupil voice, participation in competitions and monitoring levels of engagement in PE.</p> <p>Improve monitoring of impact of Sport Premium through the Koboca tool in order to better target support.</p> <p>A full day of support each week from a PE specialist through YSSN will strengthen teacher CPD and add capacity for PE leadership in school.</p>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	90%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	71%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	33%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
