**We would like to re-name the classes from September and we would like your help.**

We invite you to nominate amazing people to inspire our new class names.

The people that you nominate must have qualities that link to our new vision and values statement below.

Some of the key words have been highlighted in yellow to help you.

Our vision is to ignite **curiosity** and **delight in learning** so we are ready for an ever changing, challenging world. We will build each other up to be **unique individuals** in a **diverse community** - showing **resilience** and **working positively together** to make every day count.'

Our core values of **creativity**, **courage** and **compassion** underpin our vision.

It is rooted theologically in ' 1 Thessalonians 5:11 ' *So speak **encouraging words** to one another. Build up **hope** so you'll all be together in this, **no one left out**, no one left behind.*

**The link with Saint Barnabas the Encourager is at the heart of our vision.**

An example answer is below based on one of our current classes:

**Name of amazing person 1:** Elizabeth Garret-Anderson

**Reason for choosing this person:** She was the first woman to qualify as a doctor in Great Britain. She showed courage and resilience because the medical schools wouldn't take accept her at first as women didn't become doctors. She didn't give up trying to get into medical school. She encouraged other girls to become doctors too.
