

Learning in Attenborough Class Summer 2023

Topics: Plants, Where we live and how transport has changed

In Science, we will be learning about:

- Seasonal changes within Spring and Summer
- Plants

In Geography, we will be learning about where we live:

- How we travel
- What is near and far
- Our local community

In History, we will be learning about Great Transportation:

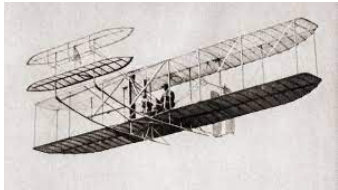

- How do we get around?
- How has travel changed over time?
- The first plane

In DT, we will be learning about:

- Mechanism
- How to make a moving story book

In Art, we will be learning about:

- Sculpture
- How to make a bird

In English we will be...

Developing our writing skills by:

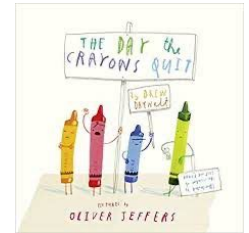

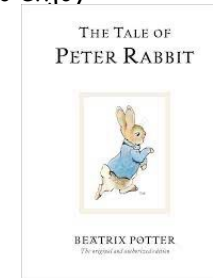

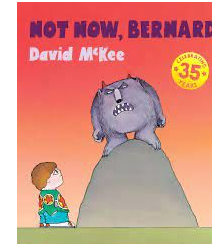

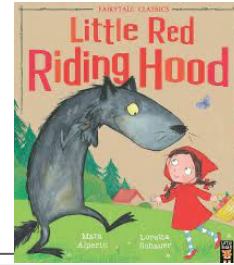

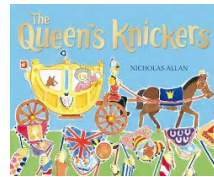

- Writing every day and revisiting our phonetic sounds. We also have a variety of writing activities in our continuous provision areas.
- Writing for a range of purposes including descriptions, fact files and dairies
- Building on our new vocabulary to include in our writing

Improving our spelling by:

- Revising the ones we have already learnt.
- Learning to spell the common exception (tricky words)

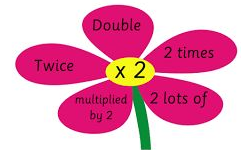

Developing positive attitudes to reading and improving comprehension by:

- Reading our phonetically matched Little Wandle books.
- Visiting the library and bringing home a book each week to enjoy
- Using these texts to help us with our writing:

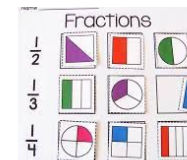

In Maths we will be developing our mathematical knowledge and skills in Reception by learning to:

- Compare numbers to 10
- Number bonds to 10
- 3D shapes
- Addition and Subtraction
- Sharing and grouping
- Doubling
- Numbers beyond 10
- Even and odd

In Maths we will be developing our mathematical knowledge and skills in Year 1 by looking at:

- Multiplication
- Division
- Fractions
- Numbers to 100
- Time and Money
- Volume, Capacity and Mass
- Space

Learning in Attenborough Class Summer 2023

Topics: Plants, Where we live and how transport has changed

In RE, we will be learning about:

- Belonging - what communities do we belong to
- How to care for our world and those in it

In PE, we will be learning about:

- With Mr Scaling: cricket and athletics
- Using our outdoor space to improve our gross motor skills

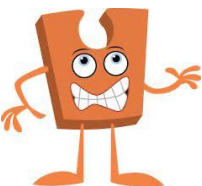

(Yr 1 only) In Computing, we will be learning about:

- How to use a computer
- How to create animations

In PSHE, we will be learning about:

- Relationships and different families
- Changing me - How we change as we grow

Learning at home:

Reading: Please read with your child at home 3x per week with their Little Wandle ebook and/or library book and note it in their Reading Record.

Homework: Homework will be provided linked to the Phonics or maths we have been learning in school. It will be sent home on a Friday.

Spellings: In your child's reading record, there is a list of common exception (tricky words), please can you help your child to read, write and spell these confidently.

Thank you for all your support and if you haven't yet joined please continue to check Class Dojo for messages.

As children of St Barnabas, we will be...

Remembering to follow our school rules of Ready, Respectful and Safe, and showing others how they can follow them too. We will also be aiming to show our values of Compassion, Courage and Creativity in everything we do, whilst encouraging others to do the same.

Thank you for all your hard work so far this year. The children have settled into the Reception/Year 1 mix and have been brilliant in learning their new roles in school and class.

Now we move onto our final term this year with even more fun learning and opportunities, ready for our next step at St Barnabas in September.

This term we will be carrying on with our Muddy Monday sessions and PE on a Thursday and Mrs Costello will be covering my planning time on a Wednesday afternoon.

To aid us in our learning, we are always collecting recyclable objects for our crafting and would love parent helpers for reading and lessons if you think you could help with any of our topics this term.

Thank you as always for your support and kindness

Miss Davison, Mrs Costello, Miss Gee and Mrs Watling

Thank You!
