## Message from Miss Boardman

After months of sorting and organising we have finally opened our new library this week. Children have enjoyed browsing and choosing from all the lovely books. We will be inviting parents to a 'Stay and Read' session with your child's class in the next few weeks so look out for the date which will follow,

## Certificates

Congratulations to the superstar children receiving awards this week:

**Attenborough: Annabella, Libbi and all of Attenborough c;lass!**

**Hadid: Thomas, Eleanor & Penelope**

**Farah: Zach, Thomas, Julia &**

**Kahlo: Eva, Harley & Teddy**

**Well done everyone!**

Its been a pleasure to welcome Dads in for lunch again today. We hope you enjoyed it. The children certainly did.

## Attenborough — Miss Davison

The children have been brilliant this week, especially with all the changes in weather! Everyone has really impressed us with their writing this week with receptions writing their independent sentences describing the Gruffalo and the year 1s writing their own independent stories. Their progress through the year has been amazing!

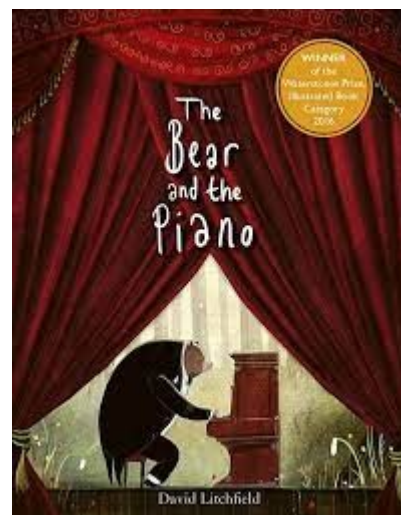

In other areas of learning, PSHE made us think about how much we have changed since we were babies; our bodies have changed but so have our skills and personalities. In Art we have been thinking about how birds look, especially their feathers ready to make our own bird sculptures over the next few weeks. In science we had a lovely outdoor session, looking and drawing some trees and discussing the different parts of a tree and how they survive.

## Hadid— Ms Pena Harran and Mrs Bruce

We have had another busy week this week in Hadid class.

In English we have started a new unit of work based on 'The Bear and the Piano' by David Litchfield. The bear finds a piano in the woods and after years of practice is invited to the city to perform. We have been thinking about how the bear would feel and voted to decide whether he should have gone to the city or stayed in the forest. The children decided he was right to go because he will be famous and proud of himself.

In Computing we have been working on logging on to the Chromebooks using our usernames and passwords, taking care to include capital letters in the right places using our keyboard skills. The children have been accessing learning activities including Phonics Play. It's helpful if children have their reading records in school as they have their login details stuck in the front. We will soon be learning to log on to TTRockstars for some times tables practice.

## Farah— Ms Graystone

Another jam packed week in Farah class.

Last Friday, we followed a recipe to make our own biscuits and this week, we thought about how we could adapt that recipe for our chosen target market. The children all got to taste the biscuits their group had made (and one from another group) after Ms Graystone had baked all the batches at home!

We have also been working really hard in Maths, thinking about angles and properties of shapes as part of our Geometry learning.

Finally, we have now begun to write up our setting descriptions of Merchant Adventurers' Hall, which has been inspired by our class trip.

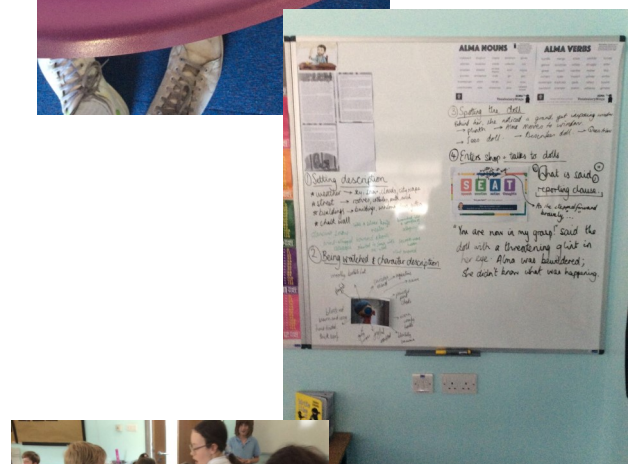

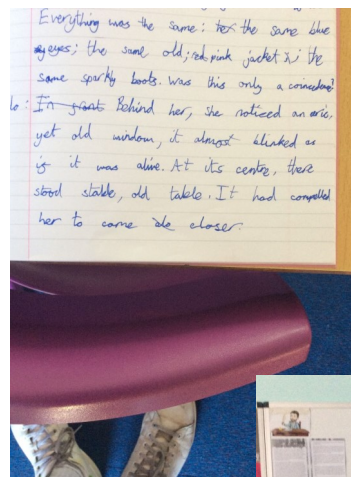

## Kahlo—Mr Levick

Another great week in Kahlo! This week we have enjoyed:

- Completing writing up our Alma-inspired stories. The children have worked phenomenally hard and they had produced some amazing stories!
- A fun-filled PE session with Mr Scaling and Farah Class, practising ready for Sports Day in a few weeks.

Please do send your child in with a roll on deodorant during this time of year!
