Message from Miss Boardman

We hope you have been enjoying the ice-creams and sweets for sale after school on a Friday. Thank you for supporting this—a cool treat on a Friday has been very welcome over the last few weeks. This will continue for the rest of term.

We are looking forward to seeing you all for our family picnic and sports day on Friday 15th July. Please arrive at the playground gate between 12-12:15pm for the picnic. Attenborough — Miss Davison

Busy week this week with lots of amazing learning! The children have been brilliant in their maths sessions with receptions learning about numbers 11-20 in more depth and how they are made from 10 and more and how to write them, whilst year 1's have been thinking about mass and how heavy or light objects are.

Muddy Monday had a science link with exploring the different types of leaves. The children had to find and identify a leaf before drawing and labelling the type of leaf on their paper. A great job! In history we have moved on our transport learning from the first flight to the first train and we learnt about the Rainhill Trials competition.

In area's this week we had the grand opening of Attenborough's Cafe to have some tea and cake. We have been exploring magnets and what materials and objects are magnetic and using our strong finger muscles to work tweezers to count cheerios into numicon pieces.

Hadid— Ms Pena Harran and Mrs Bruce

We have been doing lots of learning this week in Hadid class, securing our number facts and planning our own versions of The Bear and the Piano story.

In history we have continued learning about holidays in the past by looking at stories. Also, we were really pleased to have a grandparent to visit to tell us about the holidays she went on when she was young. Thank you Heather. It really helps us to hear real accounts.

We were very excited to take part in a virtual author visit with Ed Vere, whose book 'How to be a Lion' was our first story of the year. He introduced us to his new book 'The Artist', modelled how to draw the dinosaur and encouraged us to draw our own. The children produced some amazing pictures.

Farah— Ms Graystone

What an incredible week we have had! Football with York City FC, athletics training ready for Sports Day with Mr Scaling (last week) and Mr Stokell this week.

And of course..... A little trip to Pizza Express, where the wonderful staff taught us to knead dough, top with passata and decorate with chunks of mozzarella cheese, a pinch of oregano and a drizzle of olive oil. The children then wanted to write their own restaurant visit review, which they finished off at home when they ate what they had made!

We are now writing a recount of our trip out, to share with others.

Kahlo—Mr Levick

Another great week in Kahlo this week! Our highlights include:

- Mr Scaling and Mr Levick beating the entire class in rounders!
- We investigated how many different containers we could fill with the water in our water bottles; with some surprising results!
