Message from Miss Boardman

A fantastic time was had by all at Sports Day today. We were so impressed with all the children - they were great encouragers of each other and tried their hardest.

It was great to see so many families there. It worked out well moving the events to the morning as we would have ended up cancelling it completely if we had left it in the afternoon. I appreciate that some parents couldn't get time off work at short notice so weren't able to attend. It's also a shame that the picnic couldn't go ahead.

All in all, it was a great morning.

Sports Day Certificates

Congratulations to the children who were super-star encouragers at Sports Day:

**Jackson, Holly, Pam,
Kara, Travis, Harley,
Teddy, Harvey**
Well done everyone!

End of term disco—Thursday 20th July

This will be held in the school hall and we hope everyone will be able to come along.

Entry is through the main entrance.

Children should be picked up at the end from the playground in their usual places.

Attenborough & Hadid Class 5:30-6:30pm

Farah and Kahlo 7-8:30pm

Cost: £5 per child to pay in advance on Parent Pay. This includes a goodie bag of crisps, sweets and a drink.

Attenborough — Miss Davison

Another brilliant week! Even though everyone is getting tired and ready for the summer holidays the children have continued to be brilliant which was especially showcased on our school trip on Wednesday. We walked sensibly to the National Railway Museum and thoroughly enjoyed our exploration of what they had to offer. The excitement and engagement about learning about the different trains and showing off what they remembered from our history topic made me so proud!

Other brilliant learning and building of skills has been with our sculpture topic in art where we have been creating some bird sculptures. The children have really thought about their birds and have been very careful in making them and I know they are very excited to bring them home next week to show you all!

Hadid— Ms Pena Harran and Mrs Bruce

In history we have continued looking at how holidays have changed within living memory. Mrs Bruce brought in some photos of her family in the 1950s. We were very surprised to see pictures of her grandad sitting on the beach in his suit.

In maths this week we have been using our multiplication and division facts to solve word problems in different contexts. We have been using practical resources, jottings and mental methods to calculate our answers. It would be very helpful if you could practise the 2, 5, 10 and 3 times tables at home!

Farah— Ms Graystone

Farah class has had a storming week! We continue to explore our love of new vocabulary as we write about our class trip to Pizza Express. Did you know the front of a building is called its facade?

Finally, we baked our biscuits using an adapted recipe in Design & Technology. We had lots of fun after lunch, analysing and evaluating our cooked products. One team even worked on how much it would cost to make a batch, including the electricity for the oven and the lights in the classroom as we worked.

Kahlo—Mr Levick

Kahlo has had a fantastic week, and I have been so proud of their achievements and their accomplishments as we head towards the summer holidays. Our two highlights of the week:

- In our art, we have been designing tiny homes out of foam board. After many hours, we finally finished our designs and created a model village. They were brilliant, and I was so proud of them all!
- In our English, we have been writing persuasive speeches to ban varying things, ranging from pufferfish eating and smoking, to aliens and even humans! The children have really given it their all and I have been so impressed with what they have produced!
