1. Aims, scope and principles

This policy aims to set and maintain standards of conduct that we expect all staff to follow.

By creating this policy, we aim to ensure our school is an environment where everyone is safe, happy and treated with respect.

Many of the principles in this code of conduct are based on the [Teachers' Standards](#).

School staff have an influential position in the school and will act as role models for pupils by consistently demonstrating high standards of behaviour.

We expect that all teachers will act in accordance with the personal and professional behaviours set out in the Teachers' Standards.

We expect all support staff, governors and volunteers to also act with personal and professional integrity, respecting the safety and wellbeing of others.

We expect all staff to support the Christian distinctiveness of the school and our specific vision and values.

Failure to follow the code of conduct may result in disciplinary action being taken, as set out in our staff disciplinary procedures.

Please note that this code of conduct is not exhaustive. If situations arise that are not covered by this code, staff will use their professional judgement and act in the best interests of the school and its pupils.

2. Legislation and guidance

We are required to establish procedures for the regulation of staff conduct under regulation 7 of [The School Staffing \(England\) Regulations 2009](#).

In line with the statutory safeguarding guidance [Keeping Children Safe in Education](#), we should have a staff code of conduct, which should cover low-level concerns, allegations against staff and whistle-blowing, as well as acceptable use of technologies (including the use of mobile devices), staff/pupil relationships and communications, including the use of social media.

3. General obligations

Staff set an example to pupils. They will:

- Maintain high standards in their attendance and punctuality
- Never use inappropriate or offensive language in school
- Treat pupils and others with dignity and respect
- Show tolerance and respect for the rights of others
- Not undermine fundamental British values, including democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs
- Not express personal beliefs in a way that exploits pupils' vulnerability or might lead them to break the law
- Understand the statutory frameworks they must act within
- Adhere to the Teachers' Standards

4. Safeguarding

Staff have a duty to safeguard pupils from harm, and to report any concerns they have. This includes physical, emotional and sexual abuse, and neglect.

Staff will familiarise themselves with our child protection and safeguarding policy and procedures, and the Prevent initiative, and ensure they are aware of the processes to follow if they have concerns about a child.

Our child protection and safeguarding policy and procedures are available on the shared drive (Policies & Procedures), on the staffroom board and in the policies section of our school website.

4.1 Allegations that may meet the harm threshold

This section is based on 'Section 1: Allegations that may meet the harm threshold' in part 4 of Keeping Children Safe in Education..

This section applies to all cases in which it is alleged that anyone working in the school, including a supply teacher, volunteer or contractor, has:

- Behaved in a way that has harmed a child, or may have harmed a child, and/or
- Possibly committed a criminal offence against or related to a child, and/or
- Behaved towards a child or children in a way that indicates they may pose a risk of harm to children, and/or
- Behaved or may have behaved in a way that indicates they may not be suitable to work with children – this includes behaviour taking place inside or outside of school

We will deal with any such allegation quickly and in a fair and consistent way that provides effective child protection while also supporting the individual who is the subject of the allegation.

A 'case manager' will lead any investigation. This will be the headteacher, or the chair of governors where the headteacher is the subject of the allegation.

4.2 Low-level concerns about members of staff

A low-level concern is a behaviour towards a child by a member of staff that does not meet the harm threshold, is inconsistent with the staff code of conduct, and may be as simple as causing a sense of unease or a 'nagging doubt'. For example, this may include:

- Being over-friendly with children
- Having favourites
- Taking photographs of children on a personal device
- Engaging in 1-to-1 activities where they can't easily be seen
- Humiliating pupils

Low-level concerns can include inappropriate conduct inside and outside of work.

All staff should share any low-level concerns they have using the reporting procedures set out in our child protection and safeguarding policy. We also encourage staff to self-refer if they find themselves in a situation

that could be misinterpreted. If staff are not sure whether behaviour would be deemed a low-level concern, we encourage staff to report it.

All reports will be handled in a responsive, sensitive and proportionate way.

Unprofessional behaviour will be addressed, and the staff member supported to correct it, at an early stage.

This creates and embeds a culture of openness, trust and transparency in which our values and expected behaviour are constantly lived, monitored and reinforced by all staff, while minimising the risk of abuse.

Reporting and responding to low-level concerns is covered in more detail in our low level concerns policy child protection and safeguarding policy. These are available on the shared drive (Policies & Procedures), on the staffroom board and in the policies section of our school website

Our procedures for dealing with allegations will be applied with common sense and judgement.

4.3 Whistle-blowing

Whistle-blowing reports wrongdoing that it is “in the public interest” to report. Examples linked to safeguarding include:

- Pupils’ or staff’s health and safety being put in danger
- Failure to comply with a legal obligation or statutory requirement
- Attempts to cover up the above, or any other wrongdoing in the public interest

Staff are encouraged to report suspected wrongdoing as soon as possible. Their concerns will be taken seriously and investigated, and their confidentiality will be respected.

Staff should consider the examples above when deciding whether their concern is of a whistle-blowing nature. Consider whether the incident(s) was illegal, breached statutory or school procedures, put people in danger or was an attempt to cover any such activity up.

Staff should report their concern to the headteacher. If the concern is about the headteacher, or it is believed they may be involved in the wrongdoing in some way, the staff member should report their concern to chair of governors.

Concerns should be made in writing wherever possible. They should include names of those committing wrongdoing, dates, places and as much evidence and context as possible. Staff raising a concern should also include details of any personal interest in the matter.

For our school’s detailed whistle-blowing process, please refer to our whistle-blowing policy.

5. Staff-pupil relationships

Staff will observe proper boundaries with pupils that are appropriate to their professional position. They will act in a fair and transparent way that would not lead anyone to reasonably assume they are not doing so.

If staff members and pupils must spend time on a one-to-one basis, staff will ensure that:

- This takes place in a public place that others can access
- Others can see in to the room
- A colleague or line manager knows this is taking place

Staff should avoid contact with pupils outside of school hours if possible.

Personal contact details should not be exchanged between staff and pupils. This includes social media profiles.

While we are aware many pupils and their parents may wish to give gifts to staff, for example, at the end of the school year, gifts from staff to pupils are not acceptable.

If a staff member is concerned at any point that an interaction between themselves and a pupil may be misinterpreted, or if a staff member is concerned at any point about a fellow staff member and a pupil, this should be reported in line with the procedures set out in our child protection and safeguarding policy.

6. Communication and social media

School staff’s social media profiles should not be available to pupils. If they have a personal profile on social media sites, they may wish to consider not using their full name, as pupils may be able to find them. Staff

should consider using a first and middle name instead, and set public profiles to private. Staff should be mindful of the impact of interacting with school social media accounts using their personal accounts (e.g. not following the school account using their personal account) as this makes their personal account more easily available.

Staff should not attempt to contact pupils or their parents via social media, or any other means outside school, in order to develop any sort of relationship. They will not make any efforts to find pupils' or parents' social media profiles. Exceptions to be discussed by the staff member with the Headteacher.

Staff will ensure that they do not post any images online that identify children who are pupils at the school without their consent.

Staff should be aware of the school's online safety policy.

7. Acceptable use of technology

Staff will not use technology in school to view material that is illegal, inappropriate or likely to be deemed offensive. This includes, but is not limited to, sending obscene emails, gambling and viewing pornography or other inappropriate content.

The use of personal electronic devices, including mobile phones and cameras, by staff and pupils is closely monitored by the school, in accordance with the Acceptable Use Policy.

Photographs and Videos

Photographs and videos of pupils will be carefully planned before any activity with particular regard to consent and adhering to the Trust's Data Protection Policy. Where photographs and videos will involve pupils who are LAC, adopted pupils, or pupils for whom there are security concerns, the Headteacher will liaise with the DSL to determine the steps involved. The DSL will, in known cases of pupils who are LAC or who have been adopted, liaise with the pupils' social workers, carers or adoptive parents to assess the needs and risks associated with the pupils.

Staff members will not use personal mobile phones or cameras when pupils are present unless for educational purposes. Staff may use mobile phones in the staffroom during breaks and non-contact time. Mobile phones will be safely stored and in silent mode whilst pupils are present. Staff will use their professional judgment in emergency situations.

Mobile devices can only be used to take 'appropriate images' for use on the school's social media channels that are downloaded as soon as possible and then deleted from the device immediately after.

The sending of inappropriate messages or images from mobile devices is strictly prohibited. Staff who do not adhere to this policy will face disciplinary action.

The Headteacher/School Business Manager will review and authorise any downloadable apps – no apps or programmes will be downloaded without express permission from the Headteacher or School Business Manager.

The school will adhere to the terms of the Online Safety Policy and Acceptable Use Policy.

Staff will report any concerns about another staff member's use of mobile phones to the DSL, following the procedures outlined in the Child Protection and Safeguarding Policy and Managing Allegations Made Against Staff Policy.

8. Confidentiality

In the course of their role, members of staff are often privy to sensitive and confidential information about the school, staff, pupils and their parents.

This information should never be:

- Disclosed to anyone unless required by law or with consent from the relevant party or parties
- Used to humiliate, embarrass or blackmail others
- Used for a purpose other than what it was collected and intended for

This does not overrule staff's duty to report child protection concerns to the appropriate channel where staff believe a child has been harmed or is at risk of harm, as detailed further in our child protection and safeguarding policy.

9. Honesty and integrity

Staff should maintain high standards of honesty and integrity in their role. This includes when dealing with pupils, handling money, claiming expenses and using school property and facilities.

Staff will not accept bribes. Gifts that are worth more than £20 must be declared and recorded on the gifts and hospitality register.

Staff will ensure that all information given to the school is correct. This should include:

- Background information (including any past or current investigations/cautions related to conduct outside of school)
- Qualifications
- Professional experience

Where there are any updates to the information provided to the school, the member of staff will advise the school as such as soon as reasonably practicable. Consideration will then be given to the nature and circumstances of the matter and whether this may have an impact on the member of staff's employment.

10. Dress code

Staff will dress in a professional, appropriate manner.

Outfits will not be overly revealing, and we ask that tattoos are covered up.

Clothes will not display any offensive or political slogans.

11. Conduct outside of work

Staff will not act in a way that would bring the school, or the teaching profession, into disrepute. This covers conduct including but not limited to relevant criminal offences, such as violence or sexual misconduct, as well as negative comments about the school on social media.

12. Monitoring arrangements

This policy will be reviewed annually, but can be revised as needed. It will be approved by the Headteacher and approved by the governing body.

Our governing body will ensure this code of conduct is implemented effectively, and will ensure appropriate action is taken in a timely manner to safeguard children and deal with any concerns.
