## Message from Miss Boardman

A huge well done to our Y5/6 football team who played a very exciting match against Knavesmire Primary School last night.

We scored three goals and everyone tried their very best. After being in the lead at half term sadly we were just beaten in the end. A special well done to Isla, our very own lioness.

There have been so many creative and exciting learning activities this week in school including Djembe drumming, mental health workshop, science experiments and art through nature. Find out more about these in the class news. Thank you to the teachers for planning these great activities.

## Attenborough — Miss Pomfret

This week we have been learning about how we have change over time, through the story 'Once There Were Giants'. We have also been making different emotions and faces in our investigation area.

We have also been super independent writers this week which has been lovely to see from everyone!

A very Happy 5th  
Birthday to Leo!

## Hadid— Ms Pena Harran and Mrs Bruce

Hadid class have had a fantastic week and have made the most of the Autumn sunshine.

On Monday we went outside to create some natural art inspired by the artist Andy Goldsworthy. We worked in groups and used twigs, stones and leaves to make some fantastic creations.

## **Farah— Mrs Bellinger**

We have had a really exciting week in Farah class this week, starting off with a drumming workshop on Monday. The children enjoyed learning how to play the drum, before experimenting with composing their own rhythms. The class was then split into two, with half of the class playing one rhythm, and the other half of the class playing the other.

On Tuesday (Mental Health Awareness day), we partook in mental health training course, with the children all coming out of the workshop as Mental Health Champions! We learnt about different strategies for emotional regulation and practised them. We also discussed who we could talk to if we were feeling worried about something,

## **Kahlo—Mr Levick**

Kahlo Class have had another amazing week! Our two highlights this week:

- On Monday, we were invited by Yo-Yo on a tour of the city. They guided us through the history of York's varying religious heroes and we learnt lots about our city's history.
- In our science, we carried out the classic Coke and Mentos experiment. It definitely would have exploded more had Mr Levick not accidentally drop half of the Mentos on the floor!
