Message from Miss Boardman

I can't believe it's the end of the half term already! It has gone so quickly and there has been some fantastic learning across all the classes. Well done to all the children.

This week Farah class learned lots about rivers during their visit from the 'Rivers Van' from the Yorkshire Dales Rivers Trust.

It was good to see some parents at the information evening about the new leadership arrangements this week. If you weren't able to attend and you have any questions, please don't hesitate to ask. Miss Richards will be visiting school several times over the next half term so I will let you know when she is on the playground so you can say 'Hello'.

I hope you all have a great half term break and we will see you on Monday 19th.

Certificates

Congratulations to the superstar children receiving awards this week:

Attenborough: Sebastian Noah Connie

Hadid: Adam, Lucas and Evie.

Farah: Sophia, Esmae and Evie

Kahlo: Eva, Harry

Headteacher Award: TJ

Attenborough — Miss Pomfret

Attenborough had a busy week last week. On Tuesday we had our 2nd school trip to the York Railway Museum. As we have been learning about our local area and thinking about things in the past and present. We went on a hunt round the museum to look for the oldest train we could find. Thank you to all the parent volunteers for coming along! :)

Happy Birthday to Ayla
and Elsie!

Hadid— Ms Pena Harran and Mrs Bruce

In maths the Year 2 children have started looking at division, putting objects into groups as well as sharing them out.

The Year 1s have been looking at and making numbers using tens and ones and comparing them. We know that we look at the tens first and then the ones.

It was lovely to see so many parents at our Stay and Learn last week and to show you how we log on to Numbots. The children's log in details are inside the reading records so you can have a go at home.

In Science we are learning all about habitats and this week we talked about microhabitats which are small areas where minibeasts live. We went out onto the field and found worms, flies and lots of woodlice under a log!

Farah— Mrs Bellinger

We have had a busy and enjoyable two weeks in Farah Class.

The children are excited about their new history topic. We had a fun session ordering the key events of the Roman Empire on timelines and pondering what we already know about the Romans and what we would like to find out.

Kahlo—Miss Rose

To follow.....

There has been a technological problem putting Kahlo's class news into the newsletter this week—apologies.
