Message from Miss Boardman

As I approach my final week at St Barnabas I wanted to say what a privilege it has been to lead such an amazing school for so long.

The children are wonderful and I love seeing their enthusiasm, friendship and learning each day. It has always been a joy to see them grow and develop into confident young people as they move through school. I have so many wonderful memories which I will treasure. They make me very proud every day and I will certainly miss them all.

I am so grateful to have had an absolutely fantastic staff team who work incredibly hard and give their best to the children each day. They put relationships with the children at the centre of all that they do. The governors and the church team have also given me and the school so much incredible support over the years too.

I'd like to thank you, parents and carers, for your tremendous support, encouragement and engagement with school. I have enjoyed working in partnership with you to help your children to be the best that they can be.

Although I will miss everyone, I am looking forward to different challenges in my new role.

I know the school will continue to thrive under the new leadership arrangements.

Miss Richards will be coming in to meet the children on Monday morning and is looking forward to getting to know them all.

Attenborough — Miss Pomfret

We have had some very tiny guests this week in our classroom of some chick eggs. We are very happy to say all 10 chicks have hatched and are doing well! We will be looking after them next week also!

Hadid— Ms Pena Harran and Mrs Bruce

On Monday afternoon the whole school had collective worship led by YoYo - York Schools and Youth Trust. They acted out the Easter story and we sang a song with some great actions.

Andy and Issy then came to Hadid class and led a workshop about the story we had just heard. We made little books and coloured them in.

On Friday we finally made our fire engines using cardboard boxes and attached wheels and axles. We had to decide the best way of doing it depending on the box we chose. We then had to decorate the box so it looked like a real fire engine. There was lots of red paint involved!

Farah— Mrs Bellinger

This week, we thoroughly enjoyed our 'D.T' day' on Tuesday. In a day, the children designed and made torches, as well as evaluating their final product:

In maths, we have been focusing on fractions. We have been ordering them, finding fractions of numbers and we have also learnt about equivalent fractions.

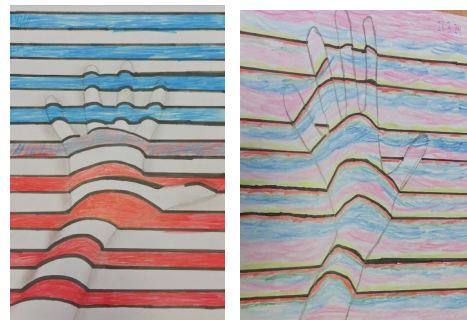

Kahlo—Miss Rose

A very creative and imaginative week this week in Kahlo class! We have had lots of fun at the Merchant Adventurers Hall, taking part in an immersive performance of Romeo and Juliet. In English, we have been writing diary entries from the perspective of one of the characters that we explored.

In DT, we have been making pop-up books for children in younger classes, independently designing our own moving mechanisms. In art, we have made some wonderful optical illusions of our hands, considering what we have learnt about light and refraction in science.
